PROFESSIONAL SUMMARY

Aspiring Cloud Engineer and B.Sc. Computer Science graduate with practical experience in AWS cloud infrastructure and front-end development. Proven ability to deploy scalable web solutions and configure cloud environments (EC2, S3, IAM). Seeking to leverage skills in automation and cloud architecture to contribute to secure and efficient system performance.

EDUCATION

- B.Sc. Computer Science | VelTech Ranga Sanku Arts College | 2023 – 2026

- HSC (Computer Science) | Govt. Hr. Sec. School, Kakkalur | 2022 – 2023

TECHNICAL SKILLS

- **Cloud Platforms:** AWS (EC2, IAM, S3), Cloud Computing Fundamentals

- **Programming**: Python (Basic), SQL (Basic)

- **Web Development:** HTML5, CSS3, Responsive Design, VS Code

- **Tools & Version Control:** Git, GitHub

PROFESSIONAL EXPERIENCE

- Cloud Engineering Trainee | Quest Technologies | May 2025 – July 2025
  - Configured and managed AWS EC2 instances to simulate scalable server environments for web applications.
  - Implemented IAM (Identity and Access Management) policies to enforce least-privilege security protocols for user roles.
  - Utilized Amazon S3 for secure object storage and static website hosting configurations, optimizing data accessibility.

- Software Development Intern | Ednue Technologies |
  - Applied core Data Structures and Algorithms (DSA) principles to solve optimization problems and enhance code efficiency.
  - Analyzed algorithmic complexity to improve logic building and problem-solving capabilities for backend development.

- Responsive Web Portfolio | Hosted on GitHub Pages
  - Designed and developed a responsive personal portfolio website using HTML5, CSS3, and JavaScript to showcase technical projects and certifications.
  - Deployed the application using GitHub Pages, ensuring 99.9% uptime and cross-browser compatibility for public access.

CERTIFICATIONS & ACHIEVEMENTS

- **Course Completion:** Object Oriented Programming Using Python.

- **Leadership:** Organized and conducted college-level football tournament.

- **Achievement:** 2022 Football Zonal Winners.
